Pioneer – Diverse Platforms & Focus on Protector Traits

Kristie Sundeen, Pioneer

InVigor Pod Shatter Reduction Technology Update

Russ Trischuk, BASF

11:30 a.m. CPC Research Results in 2020

Dave Grafstrom, University of Minnesota-Magnusson Research Farm – Roseau, MN

Dave is the site agronomist for the Minnesota Canola Production Centre. He was raised on a Roseau County farm and has a B.S. in Agronomy from UM and Ph.D. from NDSU. He worked for BASF for 14 years in research, technical service, and market development. He also worked for Northland College as a Farm Business Management Instructor.

12:00 p.m. Grab Your Lunch • Prizes Galore • Visit with Sponsors

12:45 p.m. Expanding Winter Canola into New Territories

Mick Miller, CROPLAN by WinField United – Fairfield, MT

Mick is a Forage and Oilseed Specialist with WinField United and the CROPLAN Brand. He grew up on a family farm in north central Montana where they raised malt barley, wheat, canola, and hay. His passion for working and visiting with people has allowed him to be able to work “hands-on” with other farmers the past 8 years.

1:15 p.m. COVID, China & Confusion: 2020/21 Crop Market Outlook

Frayne Olson, North Dakota State University – Fargo, ND

Frayne is the NDSU Extension Crop Economist/Marketing Specialist and the Quentin Burdick Center for Cooperatives Director. He focuses on crop market outlook and price analysis, evaluating alternative crop marketing strategies, and economics of crop contracting. As Director, he teaches cooperative business management and coordinates the Center’s research/outreach activities. He received his Ph.D. in Agricultural Economics from MU, and his M.S. and B.S. from NDSU.

2:15 p.m. Nitrogen & Sulfur Application Rates & Timing Impact on Canola

Jasper Teboh, North Dakota State University – Fargo, ND

Jasper earned his Ph.D. in Soil Science from NDSU. Prior to joining the Carrington Research Extension Center, he was a Research Associate conducting soil fertility research for the Louisiana State University AgCenter School of Plant, Environmental and Soil Sciences, and the Sugar Research Station. He obtained his B.S. in Agriculture and Graduate Diploma of Ingénieur Agronome from the University of Dschang, Cameroon.

2:45 p.m. Visit with Previous Speakers & Sponsors

3:05 p.m. The Election & Its Influence on Ag Policy

Howard Olson, AgCountry Farm Credit Services – Fargo, ND

Howard is Sr. Vice President of Governmental & Public Affairs and is responsible for developing and implementing AgCountry's local, state, and federal legislative strategy and implementation, management, and coordination of government relations, advocacy activities, and partnership development. He was raised on a farm near Blanchard, ND, and has a B.S. from NDSU and an M.S. in Business Administration from the University of Mary, Fargo.

3:50 p.m. From Oilseed to "Proteinseed": Canola's Multipurpose Future

Jeff Casper, Merit Functional Foods – Arden Hills, MN

Jeff is Director of Research & Applications at Merit Functional Foods, a company focused on creating high purity, highly functional canola food proteins. He has an M.S. in Food Chemistry from UW-Madison and a B.S. in Food Science from ISU. His 22 years of food industry experience spans product development, technology development, and management roles at Pillsbury and General Mills, as well as roles at Horizon Milling (now Ardent Mills), Cargill, and Hemp Oil Canada.
