Go for the Gold
Add Canola to Your Team – Reduce Risks in a Competitive Environment

2016

Canola Symposium
Wednesday, December 14
Roseau Community Center
121 Center St E
Roseau, MN

This material is based upon work supported by USDA/NIFA under Award Number 2015-49200-24226.
9:00 a.m.  Registration and Exhibits • “Go for the Gold” • December 14, 2016

9:30 a.m. New Innovations in Canola Production

- **InVigor Canola - Shatter Reduction Technology**
  - Kristie Sundeen, Bayer CropScience

- **Pricing Components in Marketing Canola**
  - Zachary Schaefer, CHS, Inc.

- **Canola Adapting to Market Demands**
  - Nolan Friesen, Bunge Canada

10:15 a.m. Update of Canola Rotation Trial

- **Dave Grafstrom, University of Minnesota Extension – Roseau, MN**
  - Dave is the site agronomist for the Minnesota Canola Production Centre. He was raised on a Roseau County farm and has a B.S. in Agronomy from UM and Ph.D. from NDSU. He worked for BASF for 14 years in research, technical service, and market development. He has worked for Northland College as a Farm Business Management Instructor.

10:30 a.m. Spotted Ghostly White Stems in Canola This Season? BMPs for White Mold in Canola

- **Madeleine Smith, University of Minnesota – Crookston, MN**
  - Madeleine is the University of Minnesota Extension Plant Pathologist for small grains and canola. Her mission is to develop research programs which apply innovative science to address disease issues in small grains and canola and disseminate the latest research information through educational programs.

11:00 a.m. Canola Market Outlook: Is There Hope for Higher Prices?

- **Frayne Olson, North Dakota State University – Fargo, ND**
  - Frayne is a Crops Economist/Marketing Specialist in the Department of Agribusiness and Applied Economics at NDSU. He conducts educational programs and research in crop marketing and market analysis, crop contracting, and risk management. He does collaborative research and educational work in agribusiness and farm management. He received his Ph.D. in Agricultural Economics from the University of Missouri, and his M.S. and B.S. from NDSU.

12:00 p.m. Lucky Doubles Lunch sponsored by Bayer CropScience and CHS - Hallock

1:00 p.m. MDA Regulation Update – Neonicotinoid Rule

- **Gregg Regimbal, Minnesota Department of Agriculture – St. Paul, MN**
  - Gregg manages the Minnesota Department of Agriculture’s Pesticide Non-Point Section, responsible for pesticide registration and non-point pesticide activities including development of water quality best management practices. They work to support pollinators in the state, including conducting a Special Registration Review for neonicotinoid insecticides and implementing action steps related to the review.

1:20 p.m. Legislative Update

- **Dan Fabian, Minnesota Legislator – Roseau, MN**
  - Dan is a long-time Minnesota resident and the elected representative for Minnesota House District 1A. Prior to being elected, he was a teacher at Roseau High School for 36 years. He also served as a crop insurance adjuster and the Pro Shop Manager of Oak Crest Golf Course. He is married to Roxanne and has three grown sons.

1:30 p.m. Specialty Oils: Canola, Sunflower, Soybeans... Algae?

- **Jim Johnson, Star Specialty Seed – Fargo, ND**
  - Jim is President of Star Specialty Seed in Fargo, ND. He received his M.S. from South Dakota State University in Agronomy/Plant Breeding, focusing on sunflower. He has 25+ years of expertise in the seed industry, working with major ag companies (e.g., Syngenta, Monsanto, Cargill, Pioneer, DuPont, Advanta, Interstate Seed). As an early promoter of U.S. canola, he has worked with canola growers to refine production techniques and improve yields.
